

Body/Arm Surgery Photo Examples

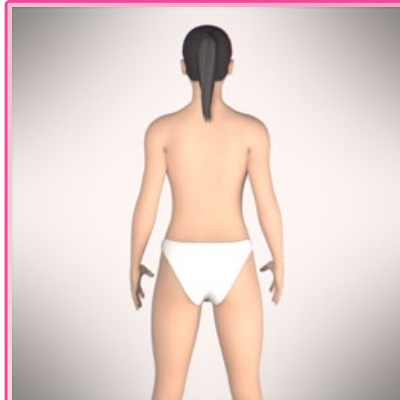

Example images required for assessment.

Please have very clear, close up images and move all hair from face and neck.

Do not take photos yourself, selfie photos not accepted as they distort the required image

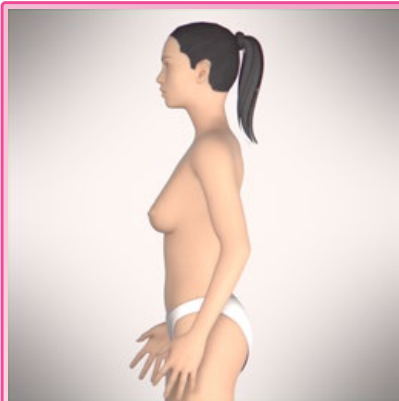

Face Forward
arms at side

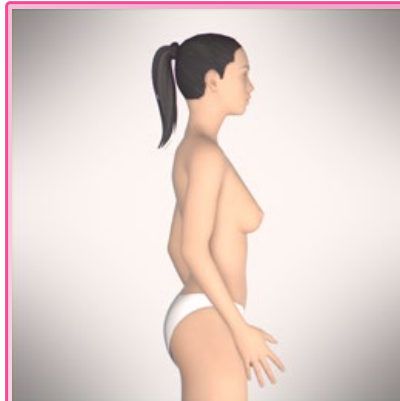

Face Backward
arms at side

Forward Arms Out
required for arm surgery only

Left Profile
arms back at side

Right Profile
arms back at side

Backward Arms Out
required for arm surgery only
